**Switzerland; Notice of Commission Determination to Conduct Full Five-Year Reviews**

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice that it will proceed with full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the countervailing duty orders on cold-drawn mechanical tubing of carbon and alloy steel (“CDMT”) from China and India, and revocation of the antidumping duty orders on CDMT from China, Germany, India, Italy, South Korea, and Switzerland would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date.

**DATES:** April 10, 2023.

**SUPPLEMENTARY INFORMATION:** On April 10, 2023, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)). The Commission found that both the domestic and respondent interested party group responses from Italy to its notice of institution (88 FR 114, January 3, 2023) were adequate, and determined to conduct a full review of the order on imports from Italy. The Commission also found that the respondent interested party group responses from China, Germany, India, South Korea, and Switzerland were inadequate but determined to conduct full reviews of the orders on imports from those countries in order to promote administrative efficiency in light of its determination to conduct a full review of the order with respect to Italy. A record of the Commissioners' votes will be available from the Office of the Secretary and at the Commission's website.

**AUTHORITY:** These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.

Issued: April 17, 2023.
